Drafter

Location: Centennial, CO (aka Denver office)

Description: Electrical Consultants, Inc. (ECI), a leading power engineering consultant firm, is seeking a motivated individual to join our team in Denver, CO as a drafter. The successful candidate will be responsible for drafting support to engineers involved with conceptual, preliminary, and final design of station projects 34.5 kV through 500kV.

Utilizing AutoCAD and MicroStation, drafters will prepare electrical, civil and physical drawings for substation and transmission line projects.

Minimum Requirements: Proficient in AutoCAD and MicroStation; 3D capabilities preferred. Successful applicant must possess a strong computer aptitude in a Windows environment. **Successful applicant must not require immigration sponsorship now or in the future.** Successful applicant may be subject to client-mandated drug and background checking. Occasional travel/driving will be required. Successful applicant is subject to ECI's auto insurance carrier requirements.

Salary commensurate with experience and education. Benefits package includes:

- Health, Dental and Vision Insurance
- Flexible Spending Account
- Life Insurance
- Short and Long Term Disability Insurance
- 401(k) Retirement plan
- Profit Sharing up to 15% of base wage (capped)
- Paid vacation, personal days and holidays
- Paid Professional Society Dues
- Continued Professional Education Reimbursement

Electrical Consultants, Inc. (ECI) employs over 450 engineers, designers, project managers, surveyors, ROW agents, environmental planners, construction professionals and support staff in fourteen offices across the U.S. The firm has thirty years of experience in the planning, engineering and construction of a wide range of power delivery projects including substations, transmission lines, distribution systems, communication systems and industrial facilities.
