Transmission Engineer

Location: Madison, WI

Description: Electrical Consultants, Inc., a leading power engineering consultant firm, has immediate openings for transmission design engineers of varying experience levels in multiple locations, to serve as a design engineer responsible for conceptual, preliminary, and final design of T&D projects 4160 V through 500 kV.

Responsibilities include preparation of transmission and distribution project designs and documents; multi-office coordination, estimating, and scheduling of activities related to transmission and distribution project work. Occasional travel required.

Minimum Requirements: BSCE or BSEE, 2+ years of transmission design and project engineering experience in the utility engineering industry minimum; PE or ability to obtain. Solid working knowledge of the PLS-CADD suite of design software tools and well versed in the design of wood, steel, and concrete pole structures. Experience in lattice tower design a plus. Excellent communication, organizational and writing skills a must as candidate will be responsible for preparation of project design documents including Technical Line Designs, plan & profile (structure spotting), staking sheets, contracts and specifications. Proficiency in MS Word, Excel, Adobe, ESRI, AutoCAD and Bentley products a plus. **Successful applicants must not require immigration sponsorship now or in the future.** Successful applicants may be subject to client-mandated drug and background checking. Occasional travel/driving may be requested. Successful applicants are subject to ECI's auto insurance carrier requirements.

Salary commensurate with experience and education. Benefits package includes:

- Health, Dental and Vision Insurance
- Flexible Spending Account
- Life Insurance
- Short and Long Term Disability Insurance
- 401(k) Retirement plan
- Profit Sharing up to 15% of base wage (capped)
- Paid vacation, personal days and holidays
- Paid Professional Society Dues
- Continued Professional Education Reimbursement

Electrical Consultants, Inc.
